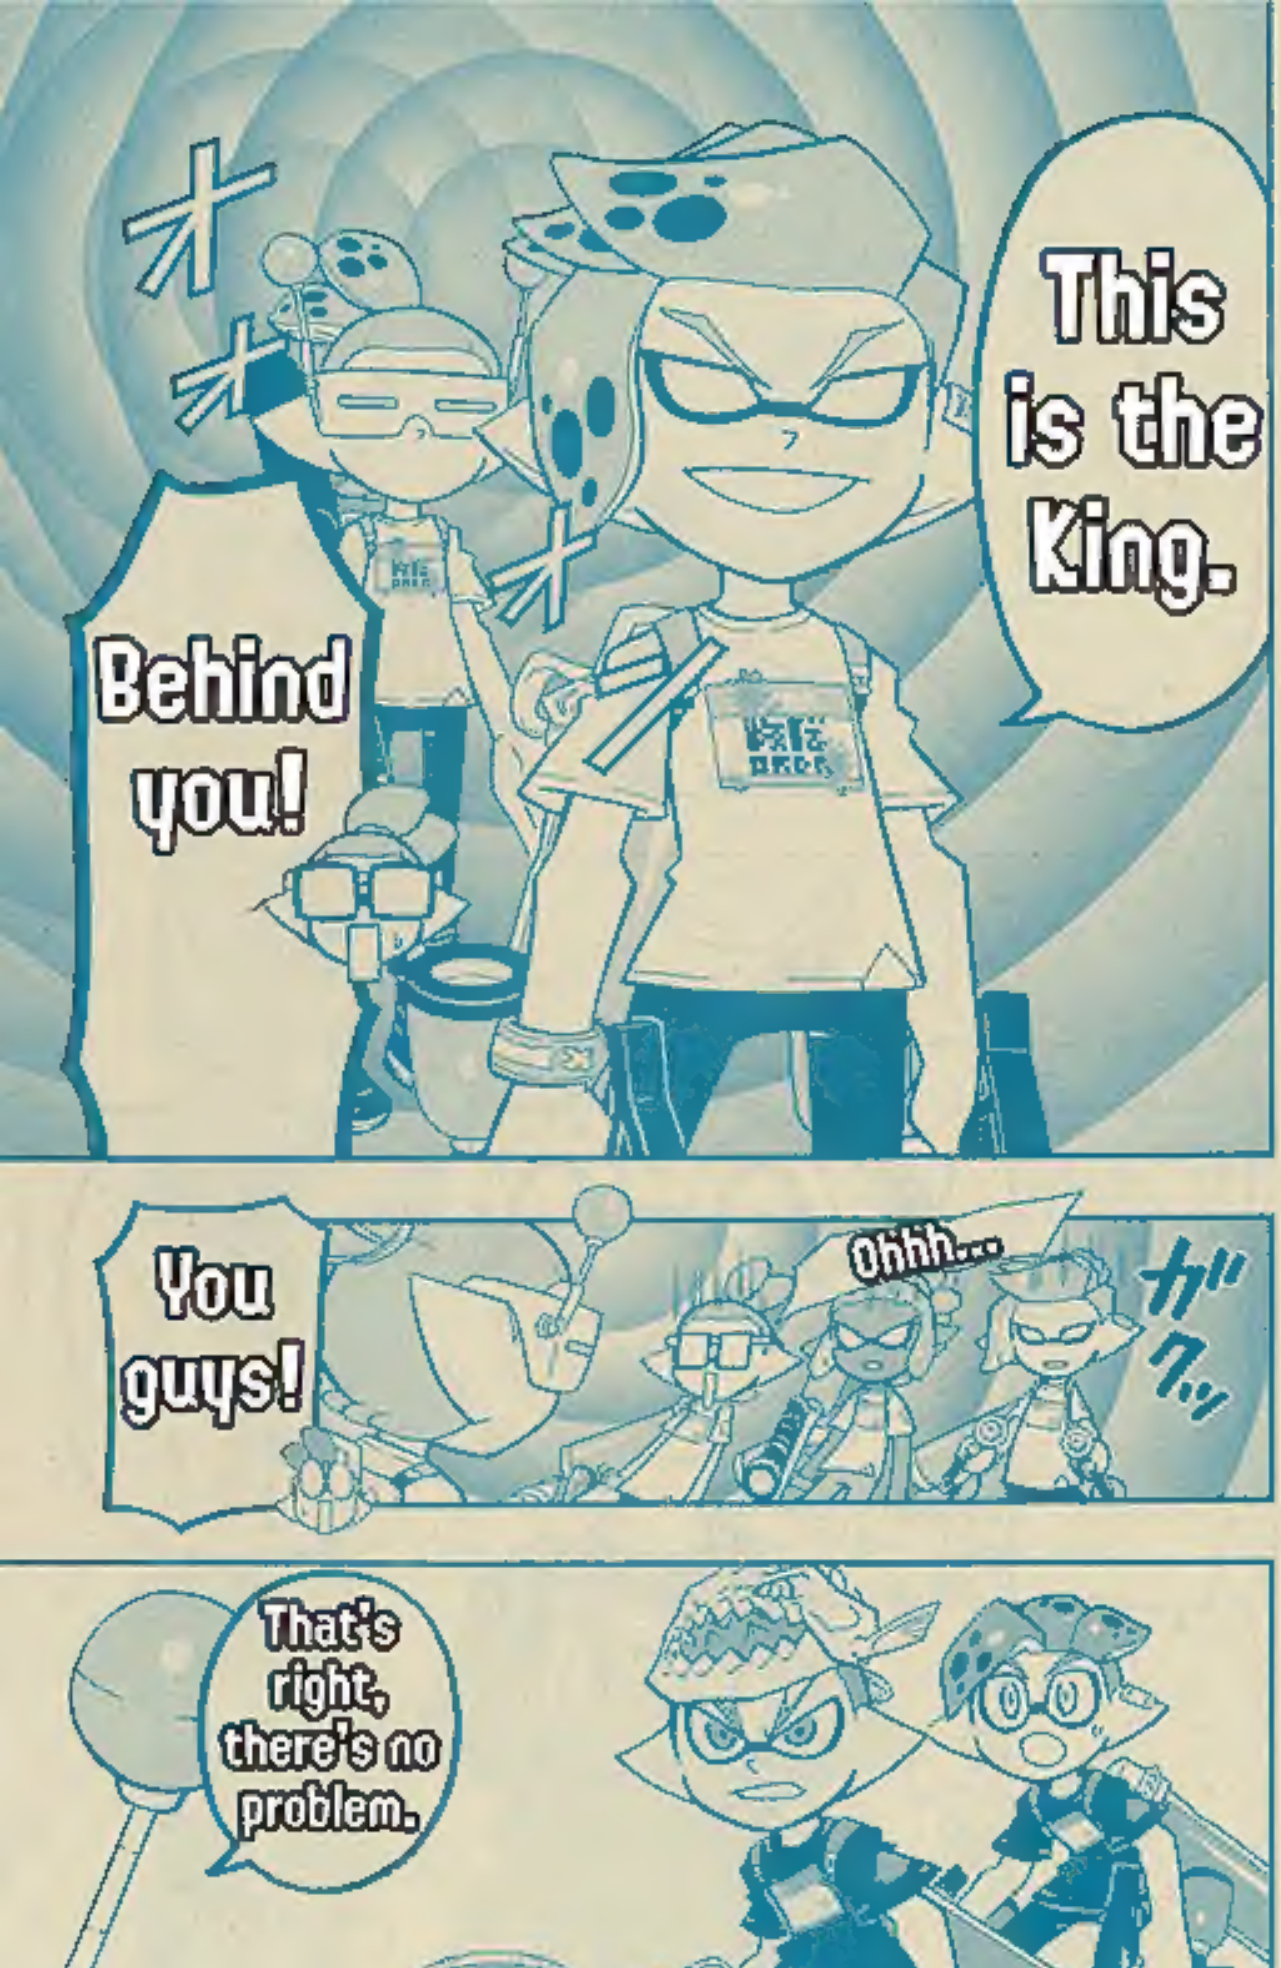
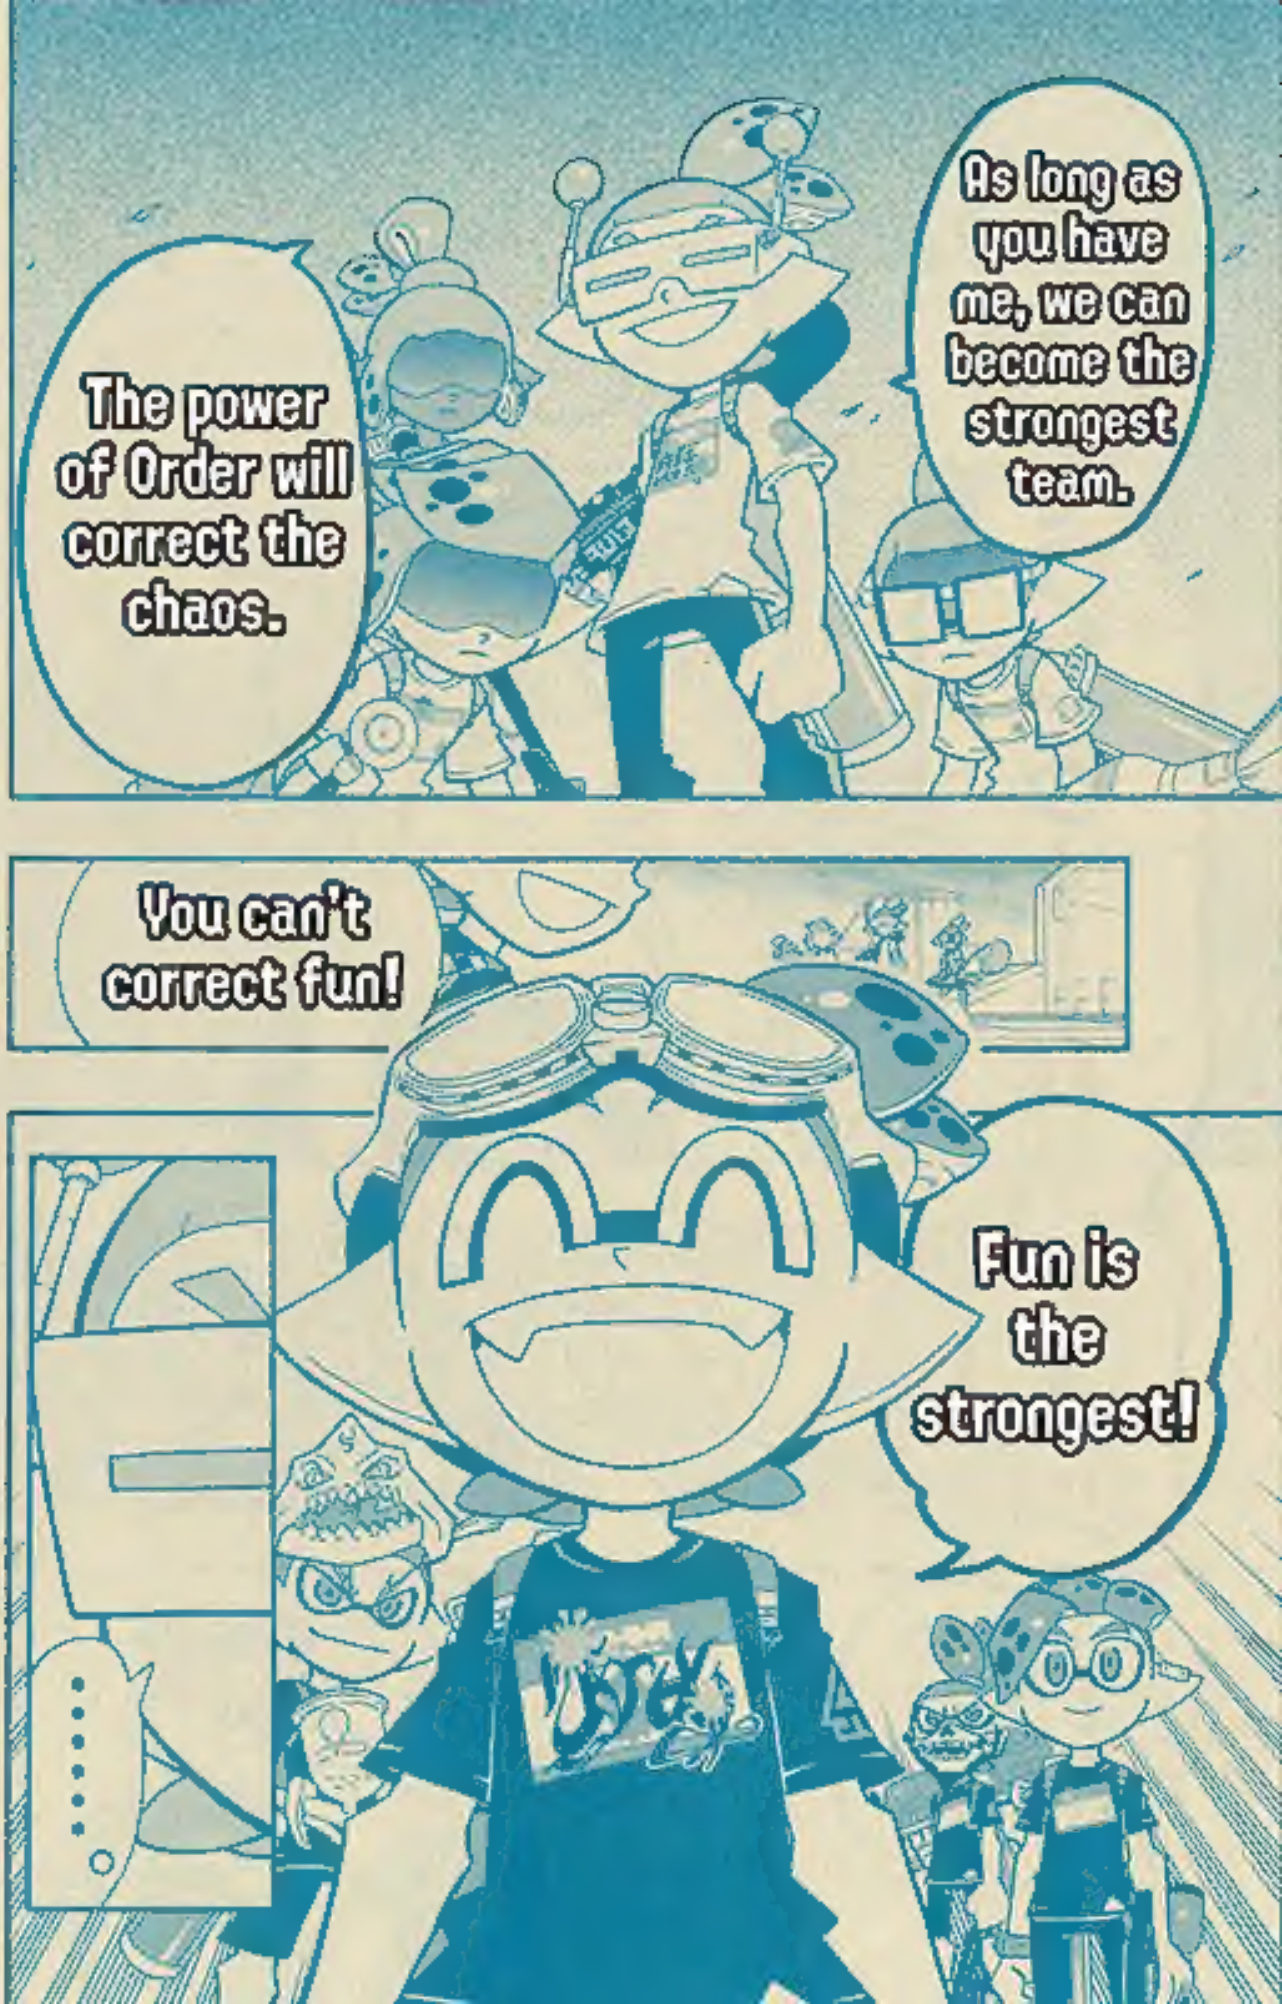
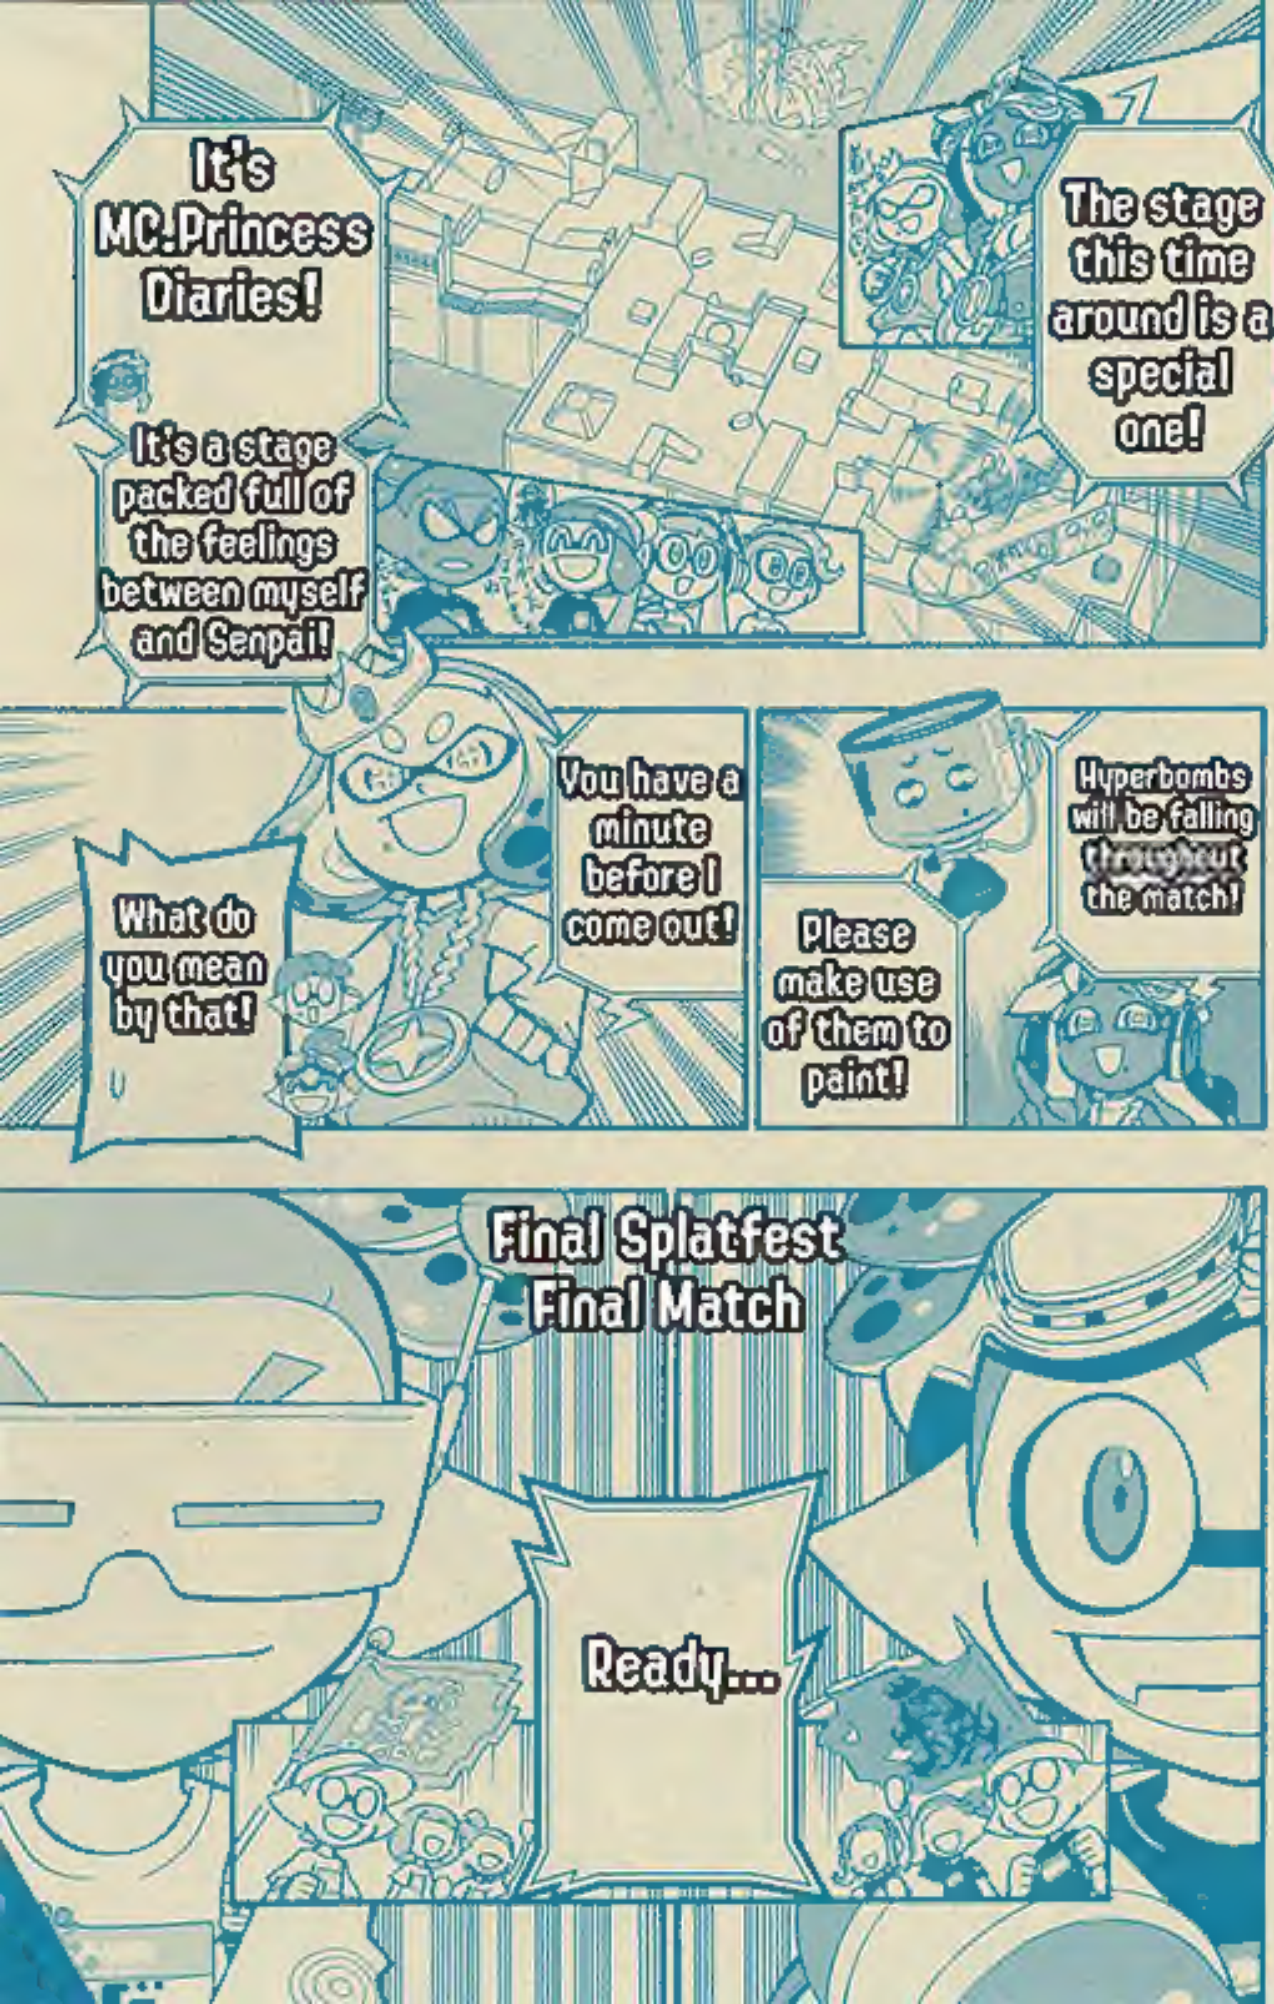
Hivemind controls his allies..
What's gonna happen in this match!?



This is the King.
Behind you!
You guys!
Ohhh...
That's right, there's no problem.



The power of Order will correct the chaos.
As long as you have me, we can become the strongest team.
You can't correct fun!
Fun is the strongest!
.....



It's MC.Princess Diaries!
It's a stage packed full of the feelings between myself and Senpai!
The stage this time around is a special one!
What do you mean by that!
You have a minute before I come out!
Please make use of them to paint!
Hyperbombs will be falling throughout the match!
Final Splatfest Final Match

So not even a King can resist it, huh!
I knew it...!
THEY'RE BEING CONTROLLED!
They're sleepy?

Both teams are beginning to paint!
Yeah!
Anyways let's paint!

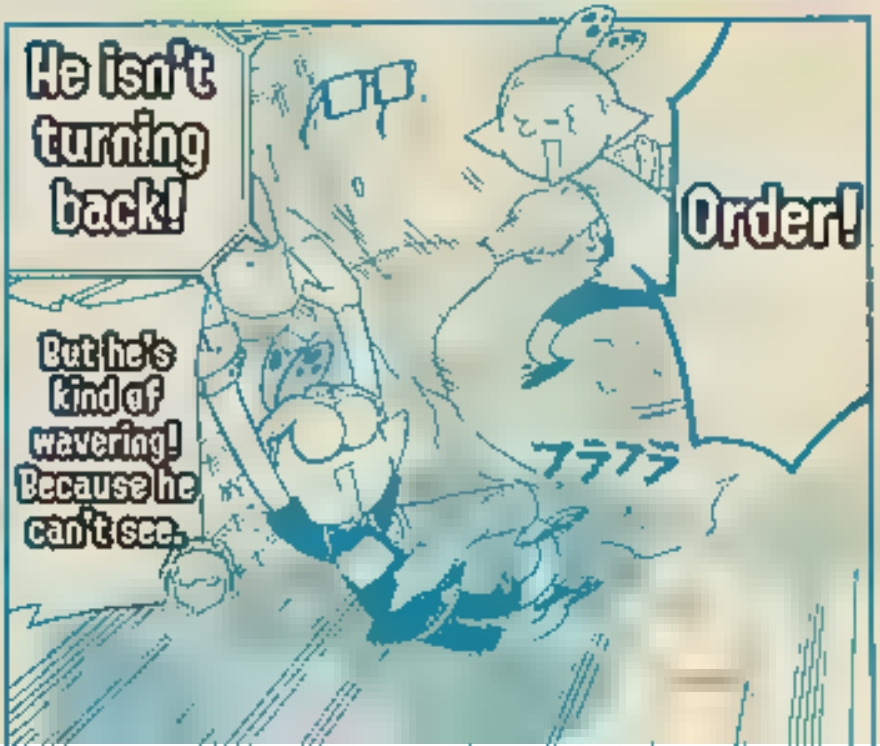
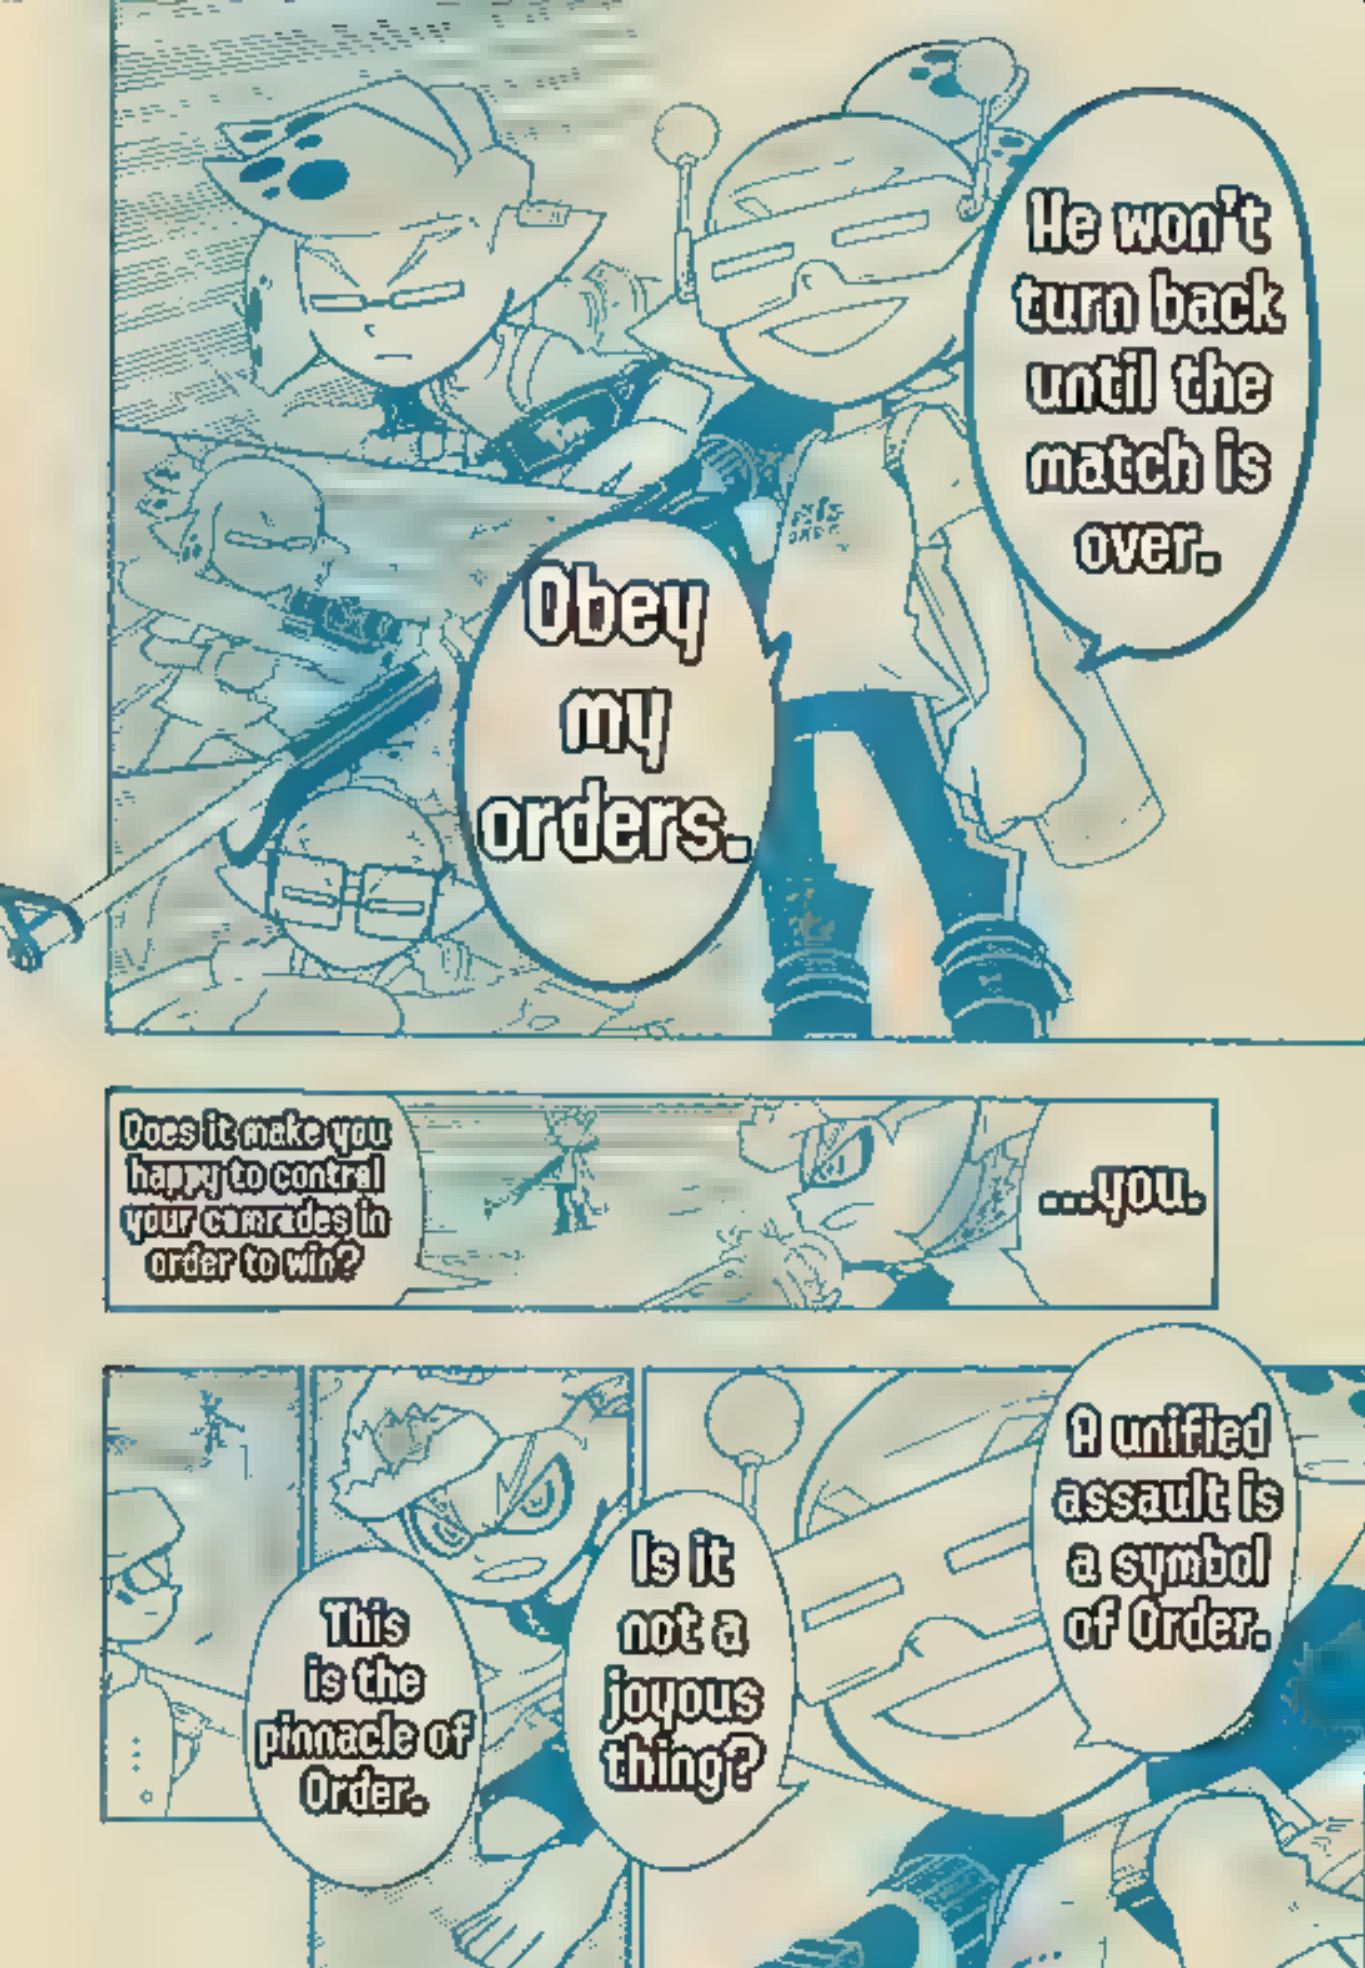
Change back to normal!
Why are you taking his glasses off!?

Useless.



He isn't turning back!
Order!
But he's kind of wavering! Because he can't see.
フラフラ



He won't turn back until the match is over.
Obey my orders.
Does it make you happy to control your comrades in order to win?
...you.
A unified assault is a symbol of Order.
Is it not a joyous thing?
This is the pinnacle of Order.

Whoa,

ドドドドド
The Chaos Team...
...is in big trouble!
Order is the superior way.
Tch!
It's following the rules while working with your allies!

You guys should be able to resist!
Everyone!
I can never accept Order without free will!
